

Glenny Wood Fact sheet

Pedal Karts

- 1 - The pedal karts are only to be used on the Sycamore plateau course.
- 2 - Karts should all travel in the same direction
- 3 - the figure of eight course or circular course should be used.
- 4 - The tyres mark the circuit and are there for safety reasons, these should not be moved or ridden on
- 5 - All pedal kart riders must use the helmets provided
- 6 - The seat may be changed to enable the rider to reach the pedals. There are specific seat positions. To change you pull the seat out of one place and into the required length. This should be done by hand only. Do not use hammers or other tools to move the seats.
- 7 - There should be nothing attached to the karts.
- 8 - Karts should be wiped clean before neatly storing in the Kart shed.
- 9 - Helmets should be wiped clean before hanging up on the pegs provided in the Kart shed.
- 10 - Spectators should be behind the tyres around the edge of the course and should not interfere with the pedal karts or riders.
- 11 - The risk assessment must be reviewed before undertaking this activity and amended to meet the needs of your section.
- 12 - Please enter your sections usage in the log book in the shed.
- 13 - Any damage to karts or track please advise our booking secretary.
- 14 - Cheering on the racers, having many great races and FUN is 100% encouraged....and enjoy.
