

# Bivvy

When using the bivvy bags it is essential that you use the ground sheets provided under each bivvy bag .

The ground sheets are in a green bag and should be returned to the bag dry and folded like this

The bivvy bags are rolled up in the plastic crate and should be returned dry and rolled like this

# Bivvy

They are stored on the top shelf in the hut. This is how should be returned after use

Please email [booking@glennywood.org.uk](mailto:booking@glennywood.org.uk) if you were unable to put the kit back in a dry condition so that the volunteers can address this on their next visit.
