Glenny Wood Boundary Trail	
Point 1	Start point Second gate at the start of the top track. Follow the cleared path then across the grass above the car park
Point 2	From here head up the slope to the next post 3
Point 3	Turn on the slope and head to the wood lane boundary fence until you reach point
Point 4	Follow the wire fence between Glenny and Wood lane to point 5 to point 5
Point 5	Follow the path under the trees to a fallen tree across the path, climb over it and continue to the steps
Point 6	From fallen tree and continue to follow path with boundary fence on your left to mud steps at point 6
Point 7	Follow path with rope guide on right until you reach Tree ID chart
Point 8	Once you have completed the identification of trees move on along the path to the fallen tree and steps onto track Leave the boundary fence behind you and head down the path
Point 9	Carry on down the track until you reach point 9 where you can see if you can what you can identify where you are in comparison to the map using visible points in the distance e,g Portishead, Severn crossing. Once you have completed this continue along the path to point 10
Point 10	Once you reach the top track above the go Kart course turn right and return to the car park following the track to the start point of the walk.
