

# Glenny Wood Fact sheet

## Grass Sledges.

1. The Grass Sledges are only to be used on the sloping Grass Sledge course, which include a boarded run above the Willow plateau.
2. Grass Sledges should all travel in the same direction
3. The riders should keep their hands inside the Grass Sledges when using the sledge. Feet should be inside the Grass Sledges.
4. All Grass Sledge riders must use the helmets provided
5. Ensure string pulling handle is not hanging outside the sledge.
6. **To use the Grass Sledges** - The top of the boarded run is now the start point, or lower depending on the rider. We now have 6 grass Sledges.

Two Sledges at a time down the run please, no more. This should work well with two Sledges on the run, two just finished walking back and two getting to the start point / ready for the next run.....

7. Grass Sledges and Helmets should be wiped clean before neatly storing in the correct area in the activities shed.
8. Spectators must not stand on the sloping Grass Sledge course.
9. The risk assessment must be reviewed before undertaking this activity and amended to meet the needs of your section.
10. Any damage to the Grass Sledges or course please let us know.
11. Cheering on the Grass Sledge riders, and having FUN is 100% encouraged....and enjoy.
